Softball tournament to begin April 19

Sign-up sheets are available for the annual Intramural Softball Tournament on April 19, 20, and 21. All Avila students, staff, alumni, and faculty may play.

All games will be played on the east end of Avila Field. Starting times will be 3:00 p.m. on Friday; 10:00 a.m. on Saturday; and 12 noon on Sunday. Since the number of teams is unknown as of now, the ending time for each day is undetermined.

Teams may be comprised of seven to ten players on the field and, of this number, four must be female. It is important that team members commit themselves for the entire weekend to ensure the double elimination contest will flow smoothly. (If games are cancelled due to inclement weather teams should be prepared to play the following weekend, April 26, 27, 28.)

Players are to provide their own gloves. Intramurals will supply bats, balls, and bases.

Each game will be five innings and a ten-run rule after three innings will be in

effect. A toss of a coin will determine which team bats first. Pitchers must use slow-pitch underhand tosses. There will be no bunting for hits and no leading off a base. A runner may advance to the next base after the

hitter makes contact with the ball.

Sign-up sheets are available from Mike McCollow and Neil Kelly, Intramural Program Assistants, and the Office of Student Life.
